

Reflections

The Newsletter of the Committee On Masonic Education
The Grand Lodge of Canada In The Province of Ontario

Since 1981, Reflections has published short educational articles written by Masons of Ontario, for Masons of Ontario. Reflections is issued four times per year and includes exciting and informative articles that help Ontario Masons understand who we are and where we came from. We'd love for you to contribute by submitting any educational or historical paper you feel might help your brethren "Get Understanding." If you're not a subscriber yet, the cost is just \$18.00 annually.
